Scout Troop Enjoys Swimming in Plunge

By SUE BURK
 Frontier 5-1549
 Under the leadership of Margaret Buzzard and Nellie Taylor, the South Bay Baptist Sunday school pupils attended a picnic held at the Torrance Park. The children were picked up at their homes Saturday and taken to the park, where all 29 had a wonderful time, being delivered safely back to their own doorsteps when the picnic was over.

Visiting the Floyd Holstins of Zakon Road this week were Mr. and Mrs. Wally Price of Manhattan Beach. Wally and Ruth both insist that Merle (Mrs. Holstin) is a wonderful cook. Sounds as if they like our part of the country pretty well, too.

honor of Rosemary Grierson were Michael Benz, Myra and Jimmy Mitchell, Donna and Butchie Burke, and Carolyn and Priscilla Grierson. "Romar" was five on May 16 and already thinks she's getting old, as she told her mama, "See Mama, I am already too big for my dresses and need some new ones, and don't you think my feet look longer today than they did yesterday."

Scoutmaster Floyd Holstin reported this week that the Boy Scouts Troop 728 went on a swimming spree May 13. The boys swam at the Hermosa Biltmore plunge and later enjoyed refreshments before coming home. Mr. Holstin also reported that attendance is wonderful and the boys really have

that old "get up and go" that makes good boys of today and fine men of tomorrow.

Company from far off lands were reported to be at the William Pannick home on Zakon Road this week. Their company was from down Texas way. Visitors also for the Callahans of Binswold, as they report company from Nebraska. To both families may I say, I hope you had a wonderful time with your friends and relatives.

Visiting with relatives over the week-end were Bill and Bernadette Weber of Zakon Road. The Webers took a trip to see Bill's mother and sister in Whittier. Mrs. Weber presented Bernadette with some beautiful linens as a Mother's Day gift.
